262

8. Within 8 days of the award of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money forfeited. The work should be started within a week from the date of acceptance.

9. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned either in this office or through the Assistant Engineer or any of the Power and Lighting Offices of this Department on the tenderer submitting refund bill surrendering the original receipt granted.

10. The contractor has to make his own arrangements at his cost for water required for construction, quarries, supply and transport of materials. This department does not undertake to provide lorries or petrol coupons.

11. Specifications for Civil Engineering works are those recognized by the Public Works Department of Mysore and Marryot's Specifications (P.W.D. Hand book, Bombay) and B.S.S. or A.I.E.E. Specifications for electrical works.

12. Only controlled articles like steel and cement, etc., will be supplied by the department at the nearest departmental stores at controlled rates plus incidental charges at 5 per cent or other percentage as per departmental rules in force at the time of issue of the materials.

13. Contractor himself should pay royalties, tolls, sales tax and any other tax that may be prescribed by Government from time to time.

14. As per Mysore Government Notification No. O.M. F.L. 6091-6192—G.F. 60-50-4, dated 21st October 1950, the contractor should furnish Income-Tax Clearance Certificate with the tender or before the execution of the agreement at the latest, failing which the tender or contract will be cancelled and the tender deposit forfeited.

15. The contractor should be bound by the conditions of the Schedule of Contract of the Electrical Department.

L. NARAYANA JOIS,
Executive Engineer.

282

MYSORE DIVISION.

Notification dated 19th May 1951.

Sealed tenders will be received by the undersigned up to 4 P.M. on Monday, the 11th June 1951, for Improving Jayachamarajendra Water Supply Works at Srirangapatna and Ganjam.

2. The tenders should be submitted on the basis of rates for individual items of works, and the abstract copy of the estimate may be obtained from the office of the undersigned, during working hours on payment of Re. 0-4-0. Tenders to be addressed to the Executive Engineer, Mysore Division, Mysore, and the name of the tenderer should be noted on the cover. The rates tendered should hold good till the completion of the work.

3. Each tender must be accompanied by a duplicate chellan for having credited into the Mysore District Treasury the earnest money deposit of Rs. 500 (Rupees five hundred only) under "40 (i) Payments into Treasury by P.W.D."

4. The work should be completed in all respects within six months from the date of acceptance of the tender. The final acceptance of the tender rests with the Superintending Engineer, Mysore Circle, Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any. In all matters of dispute regarding the rates, etc., the approved tenderer should bind himself to abide by the Departmental rules in force and execute agreement on receipt of intimation of acceptance of his tender, failing which the earnest money deposit will be forfeited.

5. The estimate and the plan and the contract agreement form defining the conditions of the tender, etc., can be seen in the office of the undersigned on working days.
